

DMB Office of Facilities Bulletin

March 29, 2004

## Walnut and Ottawa Intersection Closing April 5, 2004

On April 5, Ottawa Street will be closed from Capitol Ave. to Walnut St., **including the Walnut St. intersection**. As noted in the March 5, 2004 DMB bulletin, this intersection closure is planned to last through the end of July. During this phase of the Capitol Loop Project, the Ottawa St. entrance/exit to the Allegan Ramp (under MDOT building) will be kept open as long as possible and will be accessible from local streets.

To improve access to the ramp during this project phase, the Walnut St. entrance/exit to the Allegan Ramp will be open from 6:00 a.m. – 10:00 a.m. and the Pine St. entrance/exit will have hours extended to 6:00 a.m. – 5:30 p.m. MDOT and the City will also maintain two-way traffic on Walnut St. between Ottawa St. and Allegan St. for better access to the ramp entrance/exit.

The Allegan St. entrance/exit hours will continue to be 7:00 a.m. – 5:30 p.m., with authorized card access for earlier or later entry. The Ottawa Ramp (under Ottawa and Hannah buildings) entrance/exit hours are unaffected by this phase of the project.

---

Additional detailed DMB parking bulletins will be distributed to agencies, posted in facilities and on the DMB Web site, as information is available. Up to date information will also be available on the MDOT Web site: [www.Michigan.gov/capitol-loop](http://www.Michigan.gov/capitol-loop). For a pictorial view of the project staging, see MDOT project maps on display in all DMB Capitol Complex facility lobbies. If you have any questions regarding parking access during this project, please contact the DMB Parking Office at: 373-1836 or [DMB-Parking@michigan.gov](mailto:DMB-Parking@michigan.gov).
